

ONTARIANS NEED MORE ACCESS TO

AFFORDABLE HOUSING

@oafb #HungerActionMonth

ontariofoodbanks

Most food bank clients spend 70% or more of their income on housing, putting them at a higher risk of homelessness and leaving little for other essentials.

WE SUPPORT THE INTRODUCTION OF A PORTABLE HOUSING BENEFIT

This benefit would assist OW/ODSP recipients and the working poor, indexing rental costs to income to ensure rent does not exceed 30% of their income.
