**HEALTHY FOOD FOR
HUNGRY NEIGHBOURS,**
Made possible by you

2015-16
IMPACT REPORT

THANK YOU FOR PROVIDING *Hope*

These are not regular bags of groceries. These are bags filled with hope. Bags that break through worry and fear. Bags that offer more than just food. And we owe it all to you. For 30 years you've helped feed your hungry neighbours!

Thanks to your support in 2015-16, we've been able to help thousands of neighbours like this one - more so and in ways like never before. Amid the successes of the past year, we look ahead toward the incredible challenges of the next.

So we invite you to help us continue to provide hope. To help us break through cycles of hunger and isolation. To push us further than we've ever been before. We invite you to take the next step and join our crusade for a Mississauga where NO ONE goes hungry.

Sincerely,

Chris Hatch, Executive Director

Five faces, five smiles, five laughs. With five beautiful daughters around the table, Wasilla has a lot to appreciate. But when her husband left her without an income, she found herself struggling to provide for her five girls. Here she is on her first visit to The Mississauga Food Bank to receive enough food for the whole family. Fruit, vegetables, meat, milk and pantry staples to keep her growing girls healthy and smiling. **All thanks to your generosity.**
